A Newsletter from St John's Business & Enterprise College

Year 12 students started their Study Leave on Friday 11th May, prior to sitting their GCSE examinations. To mark the occasion Fr McEntee celebrated mass for the Year 12's and their parents. After mass they were treated to light refreshments. Ms McLaughlin entertained the gathering with a trip "down Memory Lane" in a powerpoint presentation. Sheena Callaghan produced a video which gave a unique insight into life outside and inside the classroom.

A great afternoon was had by all.

GOOD LUCK & BEST WISHES FOR THE FUTURE!!

DRUMQUIN DYNAMO

Congratulations to Claire McGrath, 9A1 who recently came 2nd in an essay competition sponsored by Drumquin Association. This competition was open to all students from Drumquin attending local 2nd level schools in the Omagh area. Claire wrote a charming story about her godmother's wedding. Her £50 award was richly deserved. Well done Claire!

Feis Fhearmanach

Four students from Years 8, 9 and 10 entered the History Section of Fermanagh Feis. The winners were Arlene Anthony (9A1) 2nd, Declan McKenna (10A1) 2nd, Theresa McCarney (10A1) 3rd, Conor Sludden (10A2) 3rd

Sloughan Glen Trip

On April 30th Year 9's went on an educational visit to Sloughan Glen to study River and Waterfall features. As always this is an excellent project for Second years. Not only do they enjoy this topic but they learn about the environment in their area especially around Sloughan Glen.

U14 Girls Gaelic Football

Congratulations to our U14 girls team who beat Loreto Millford, Donegal in the preliminary round of the Ulster Championship. Unfortunately the girls couldn't overcome a strong Ballieborough Community School, Cavan in the quarter final round. However, the girls fought hard especially in the second half of the game to lose only by a narrow margin. Well done girls for getting so far in the competition. We are very proud of you all!

Congratulations to Conor, Ronan and Paul who are on the Tyrone Minor Panel. We are delighted that three of our past students are playing with the County Team and we wish them the best of luck in all their games.
