END OF AN ERA FOR OUR YEAR 12 STUDENTS

On Thursday the 2nd of June the year 12 students accompanied by their, parents and family members came together to commemorate with the staff their five years at St. John's Business & Enterprise College. The beautiful mass was celebrated by Fr MacEntee.

The success and achievements of the students' five years was commended as the students were presented with their Pupil Progress Files.

Musical entertainment was provided by special guests, the All Ireland Scor Champions; Catriona Garry, Edel McQuaid, Stephen Corrigan (past pupil), Fergal McAloon (past pupil) and Tomás Quinn. The music was thoroughly enjoyed by all.

This was followed by a beautiful meal and refreshments for all. The students were then engaged in an emotional 'Trip down memory lane' as they watched an amazing slide show of photographs from the students' first day at school to the present day.

The evening was highly successful and entertaining. We would like to take this opportunity to thank everyone for their participation in making this evening a truly memorable one.
