## A Newsletter from St John's Business & Enterprise College

On Thursday the 20th of May we said farewell to our Year 12's the class of 2021. We celebrated a beautiful mass with Fr MacEntee in St Davog's Church followed by a pizza party in the school gym. The Year 12's enjoyed a trip down memory lane with a video showing their time in St John's, this was put together by Miss N Kelly. We wish you all the best and hope you all have a great Summer.

## ATHLETICS

St John's students enjoyed athletics activities during PE in April & May. We seen some excellent performances in track and field events. They finished off with some fun events and here are the Year 9's in action in the sack race.

## NORTHERN IRELAND WATER

Northern Ireland Water delivered a water butt to our school in June. The water butt is now in the school garden. It will collect rain water which will be used instead of mains water to water our plants. We are doing our bit to conserve water which is a limited and valuable resource, but is also essential for plant growth. Thank you NI water.

## Year 8 Window Boxes

The window boxes that the 8 pupils planted two months ago are now in full bloom. Well done to everyone who have watered the plants every morning and continued to care for them. Watering will continue over summer and should still be in full bloom when we return in September.

## St John's College from the sky!

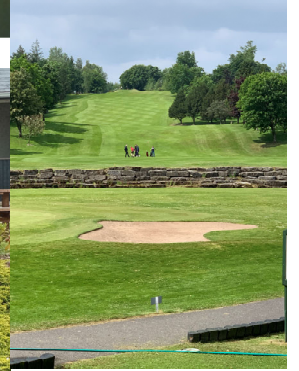

We love this photograph of our school grounds, we are so lucky to be surrounded by mature trees and beautiful green fields.

## ~ Golf Trip to Fintona Golf Club ~
